report referring LB 631-793, as well as LR 22, LR 23, and LR 24, all constitutional amendments. An amendment to be printed: Senator Don Pederson to LB 137. And, Mr. President, a report of registered lobbyists to be inserted in the Journal. And the last item this morning is the Clerk's Office has received a report from Health and Human Services System. We'll acknowledge receipt in the Journal. It will be available in the office for member review. That's all that I have at this time, Mr. President. (Legislative Journal pages 293-301.)

PRESIDENT HEINEMAN: Thank you. We'll now proceed to the first item on the agenda. Mr. Clerk.

CLERK: Mr. President, Senator Kremer would move to withdraw LB 478.

PRESIDENT HEINEMAN: The Chair would recognize Senator Kremer for opening.

SENATOR KREMER: Thank you, Mr. Lieutenant Governor and members. At this time I would like to withdraw LB 478. It's dealing with grain warehousing, grain dealers, and grain moisture testing devices. After we had introduced the bill, the parties that were involved came to us, and there were some things in there that they would like to change, some things that were in the bill that they did not intend to be that way. So it was much easier to write a new bill and withdraw this one. So we would like to withdraw LB 478, and we have already introduced LB 735 that deals with the same subject. Thank you.

PRESIDENT HEINEMAN: Thank you, Senator Kremer. Further discussion? Senator Kremer to close. Senator Kremer waives closing. The question is on the adoption of the motion to withdraw. All those in favor vote aye; all those opposed vote nay. Please record, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, on the motion to withdraw LB 478.

PRESIDENT HEINEMAN: The motion is adopted. Next item, Mr. Clerk.
